WHO WE ARE ?

Indek Infrastructures is a recognised civil engineering company with around 30 years of experience. Its well-deserved reputation is built on local knowledge, dependability, quality products and services, and an approach to delivery that prioritises the needs of the customer.

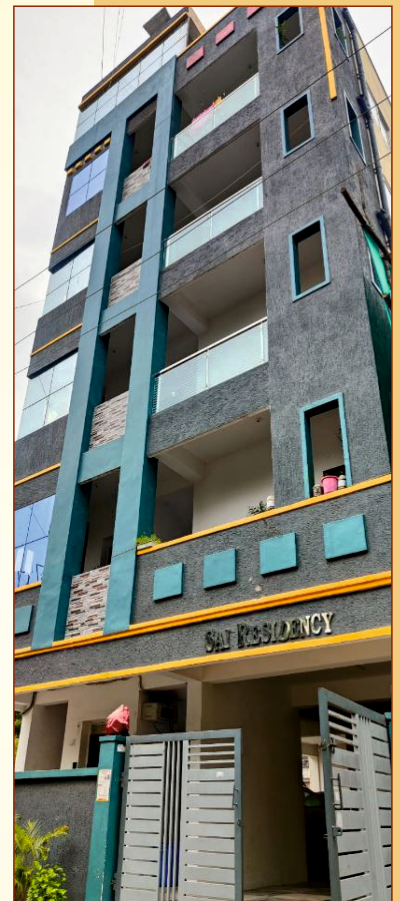

We are proud of our construction heritage and the part we have played in helping to create the environment in which we live. The homes, the buildings we study and work in, hospitals, the infrastructure that connects US.

Indek infrastructure helped to construct the past, together we are building the future.
